## DETAILED ACTION

### Response to Amendment

1. Applicant's amendment, filed on 09/26/2008 has been considered and entered in full.
2. Applicant's arguments with respect to amended claims have been considered but are moot in view of the rejections made below.

### *Claim Rejections - 35 USC § 101*

3. 35 U.S.C. 101 reads as follows:

Whoever invents or discovers any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement thereof, may obtain a patent therefor, subject to the conditions and requirements of this title.

4. Claims 2-9 and 15 are rejected under 35 U.S.C. 101 as not falling within one of the four statutory categories of invention. While the claims recite a series of steps or acts to be performed, a statutory "process" under 35 U.S.C. 101 must (1) be tied to another statutory category (such as a particular apparatus), or (2) transform underlying subject matter (such as an article or material) to a different state or thing (Reference the May 15, 2008 memorandum issued by Deputy Commissioner for Patent Examining Policy, John J. Love, titled "Clarification of 'Processes' under 35 U.S.C. 101"). The instant claims neither transform underlying subject matter nor positively tie to another statutory category that accomplishes the claimed method steps, and therefore do not qualify as a statutory process.

The memorandum issued can be found at:

### ***Allowable Subject Matter***

#### **Reasons of Allowance:**

5. Claims 10-11, 13-14 and 16-18 are allowed.

The following is an examiner’s statement of reasons of allowance:

The reasons of allowance for claims 10-11, 13-14 and 16-18 should be evident from the previous office action mailed on 08/14/2008 and applicant’s arguments as filed in the amendment filed on 09/26/2008. Claims 10-11, 13-15 and 17-18 were allowed in the previous office action mailed on 08/14/2008 and claim 16 is allowed for the same reasons as other claims, as the amendment filed by the applicant on 09/26/2008 presents claim 16 with the allowed subject matter added to it.

Claims 2-9 and 15 would be allowable for the same reasons as applied to claims 10-11, 13-14 and 16-18, after all the 35 USC 101 rejection issues have been resolved.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
